Frequently Asked Questions About the GreenSky® Program

Q: Why should I finance my project when I can pay cash or use a credit card?

Financing a project may allow you to spread out the expense and enable increased buying power to fulfill your ideal project.

Q: What type of credit is available?

GreenSky® Program loans are unsecured installment loans with APRs that become fixed once the loan enters its amortization period.

Q: Where can I use my loan?

Working with a GreenSky® Merchant, qualified applicants can use loans to pay for products and services to complete their residential project.

Q: How do I pay my contractor?

After your contractor requests a payment, you will receive a text message or email to authorize the transaction.

Q: How long do I have to use my loan?

Once approved, and depending on your plan, you typically have up to six months to make your purchases and approve transactions. Please refer to your loan agreement for details.

Q: When is my first payment due?

It depends on your loan plan. There are a range of plans available through the GreenSky® Program, some of which offer deferred or reduced payments during a promotional period. Since plan types may vary, however, you should refer to your loan agreement for specific loan terms.

There is no prepayment penalty for early loan payoff.

Q: How do I make a payment?

It's simple – pay online in the customer portal or by phone, or schedule automatic payments to be drafted from your bank account. The choice is yours.
